## **Experience**

### **CODIFIEST | THE LAW OFFICES OF JOY THULIN JONES| DECEMBER 2018 TO DECEMBER 2019**

- I assisted the City Attorney for a local town to codify the town’s by-laws
- My duties centered mainly around transcribing the 259 pages to create a working document

### **CALL QUALITY ANALYST | J. LODGE | OCTOBER 2013 TO DECEMBER 2013**

- This position entailed analyzing call center contacts throughout the world in order to rate performances of the customer service representatives. The contacts were both recorded phone calls as well as captured chats.

## **Awards & Honors**

- Excellence for Outstanding Achievement, University of Nebraska Kearney, awarded 2018/2019 academic year
- Dean’s List, Drury University, Spring 2014 and Fall 2015 semesters.

## **Volunteer Positions**

- In 2018 I headed and ran an awareness campaign for Multiple Chemical Sensitivity. “May is MCS Awareness Month” ran the entire month of May, and included memes, videos, and articles designed to educate the public about Multiple Chemical Sensitivity. I oversaw several “departments” of the campaign, holding meetings and advising with several other people.
- Between 2004 and 2010 I held various positions within a home-school co-op including: public relations, event coordination, Scholastic book orders, science fair, the Spring Formal and a teaching position.
- In 2009 and 2010 I formed and lead a cheerleading squad for local home-schooled teens. I held various positions including: public relations, event coordination, ordering uniforms, hiring coaches, tournament arrangements, fundraising

- In 2008 I helped with my daughter's gymnastics team, the positions held included: booster club president, tournament arrangements, public relations, fundraising committee.
